## **Announcement**

This is my last ACES Newsletter issue as Editor-in-Chief. The good news is that Alistair Duffy has agreed to take over as Editor-in-Chief. You all know him as the Editor for Perspectives, and he has written some very interesting and thought provoking articles for that section.

I have enjoyed working with the entire staff of the Newsletter, and without all their help, there would be \*no\* Newsletter. I wish to give a special thanks to Dick Adler who has put the final touches on each and every issue, and has corrected more mistakes than I would like to admit to making!

I have been the Newsletter Editor-in-Chief for over four years. Recent additional responsibilities at IBM have made it very difficult to continue in this role because of time constraints. I know that Alistair will bring a renewed enthusiasm to the Newsletter, and I look forward to seeing the new issues.

Please feel free to contact me at any time. I plan to continue to be an active ACES member and I'll see you at the yearly ACES conference!

Sincerely

Bruce Archambeault
