President's Message

Welcome to the new ACES Newsletter !!

Greetings and welcome to our first newly re-designed newsletter. My move from University of Mississippi to Colorado School of Mines has gone as smoothly as it can be. I am now settled in my new position and ready to focus on my duties as President of ACES. I feel privileged

to serve as the President of ACES in its 30th year. Arrangements for ACES 2014 are going forward with William "Keefe" Coburn, Steve Weiss and Amir Zaghoul as General Chairs. TPC Chairs, Sami

The 30th International Review of Progress in Applied Computational Electromagnetics (ACES 2014) will be held in Jacksonville, Florida from March 23rd to 27th, 2014. The international ACES symposium serves as a forum for developers, analysts, and users of computational techniques applied to electromagnetic field problems at all frequency ranges.

Highlights

- [Plenary Talks by world renowned experts](#)
- [Excellent Technical Sessions](#)
- [Student Paper Competition](#)
- [Free Tutorials](#)
- [Free Vendor Workshops](#)
- Free Software from Participating Vendors
- Exhibits ([FEKO](#), [REMCOM](#), [CST](#), [Empire](#), [Incompliance Magazine](#))

ACES 2014 is shaping to be an excellent conference. Please register and plan to attend. Please do not forget to book the [hotel](#) at \$129/night before March 3, 2014.

[ACES Journal](#)

-
The ACES Journal is devoted to the exchange of information in computational electromagnetics, to the advancement of the state of the art, and to the promotion of related technical activities. The ACES Journal welcomes original, previously unpublished papers, relating to applied computational electromagnetics. All papers are refereed. ACES members can get access to all issues of ACES

ACES membership offers many advantages that include access to ACES journal and discounted registration fees for ACES conferences.
